29-31 March 2023
BITEC, Bangkok, Thailand

Conference

A 2-day technical conference will be held as part of this expo, which focuses on latest technological and market developments in rubber and tyre industries. Interested experts and specialists are invited to make 20-min presentation in this conference. Please submit presentation proposals by emailing to peram.technobiz@gmail.com.

Training

Short training programs will be organized as part of this, which are relevant to current needs of rubber industry professionals. These are fee-based programs.

Visitors

All rubber and tyre industry professionals from around the world are welcome to join this event. The pre-registration is free for all professionals. Onsite registration is fee-based. This expo is a great opportunity to learn, to explore opportunities and to network with industry fraternity,

Co-Located Event

"**Rubber Research & Patents Poster Fair**" will be held at this event to showcase research developments, innovations and patents. This is aimed to be an important platform for researchers and industries to explore cooperation.
