Program Agenda

9 May 2025, Friday	
08:30-09:30	Speaker and Delegate Registration
09:30-09:40	Program Introduction Peram Prasada Rao, CEO, TechnoBiz
09:40-09:50	Welcome Remarks Prof. Kinsuk Naskar, Conference Chairman
09:50-10:00	Delegate & Speaker Networking Session
10:00-10:30	Keynote Speech: Trends in Global Synthetic Rubber Industry <i>Amardeep Singh, Head - Sales & Marketing, Indian Synthetic Rubber Private Limited</i>
10:30-11:00	Low Temperature Mixing Process for Specialty Elastomers: Technology & Infrastructure <i>Ramaswami Sundar, Managing Director, Svan Elastomer Solutions Pvt. Ltd., India</i>
11:00-11:30	Coffee /Networking Break
11:30-12:00	Styrenic Thermoplastic Elastomers: New Developments & Applications <i>Yasushi SENDA, Elastomer Division, KURARAY Co., Ltd., Japan</i>
12:00-12:30	Compound Design using Specialty Elastomers: A Process and Process Centric Approach <i>Dr. Sankaran Namboodiri, Rubber Industry Consultant</i>
12:30-13:00	HNBR - High Performance Elastomer for Demanding High-End Applications <i>Rajesh V C, / Technical Sales Manager, ARLANXEO India Ltd.</i>
13:00-14:00	Lunch / Networking Break
14:00-15:00	Advanced Testing Solutions for Rubber and Tyre <i>Arnaud Favier, METRAVIB, France & Mauro Belloni, Gibitre, Italy</i>
15:00-15:30	High Performance Nitrile Rubber Composites and Their Applications <i>Dr. Subhra Mohanty, Chief Technology Officer, Apcotex Industries Limited, India</i>
15:30-16:00	EPDM Rubber: A Versatile Elastomer for Automotive Rubber Components <i>Dr. P. Thavamani, Managing Director, UMAC Automotive Components Pvt. Ltd., India</i>
16:00-16:30	Coffee /Networking Break
16:30-17:00	Driving Euro 6 Compliance: Role of Low Permeation Rubber in Emission Reduction <i>M. Pandey, Head - Technology & Business Development, GB Automotive Rubber Products, India</i>
17:00-17:30	Rubber Product Requirements for Aircraft Structures: An Overview <i>Dr. Prosenjit Ghosh, Senior Scientist, CSIR National Aerospace Laboratories., India</i>
17:30-18:00	Estimation of Reliability of Synthetic Elastomer Seals <i>Sunil Kumar Narayanan, Elastomer Expert, Bosch Global Software Technologies, India</i>
18:00-18:30	Material Informatics: The Next Generation AI-Copilot for R&D Scientists <i>Dr. Debarghya Saha, Research Scientist, Polymerize, Singapore</i>

Remark: TechnoBiz reserves the right to adjust the program agenda without prior notification due to unavoidable circumstances.

Program Agenda

10 May 2025, Saturday

09:15-09:45	TechnoBiz Rubber Clinic Brainstorming Session
09:45-10:00	Rubber World: Hall of Fame
10:00-10:30	Keynote Speech: Green Rubber Nanocomposites: New Opportunities & Circular Economy <i>Prof. Sabu Thomas, Mahatma Gandhi University, India</i>
10:30-11:00	Specialty Elastomers for Oil Seals: A Process Engineering Perspective <i>Kunjukuttan C S, Auto Rubber Consulting, India</i>
11:00-11:30	<i>Coffee /Networking Break</i>
11:30-12:00	Green Routes of Synthetic Rubber Vulcanization <i>Prof. Kinsuk Naskar, Rubber Technology Centre, IIT Kharagpur, India</i>
12:00-12:30	EVM for Halogen Free Flame Retardant (HFFR) Applications as well as Sustainable Solutions <i>Rajesh V C, Technical Sales Manager, ARLANXEO India Ltd.</i>
12:30-13:00	Global Trends in TPE Compounds <i>Aschak Damani, Managing Director, Zylog ElastoComp, India</i>
13:00-14:00	<i>Lunch/Networking Break</i>
14:00-14:30	Silicone Elastomers: Latest Developments and Applications <i>Dr. Alok Sarkar, Expert Scientist, Momenive Performance Materials (India) Pvt. Ltd.</i>
14:30-15:00	Good Manufacturing Practices of Silicone Rubber Products <i>KS Venkatesh, Managing Director, SRP Synthetic Rubber Products Pvt., Ltd., India</i>
15:00-15:30	LSR Injection Moulding - Technology & Practice <i>Maulik Upadhyay, Manager- Mould Design & Development, Kloeckner DESMA, India</i>
15:30-16:00	<i>Coffee/Networking Break</i>
16:00-16:30	Latest Trends in FKM and FFKM: Technology and Processing <i>Pankaj Solanki, Senior Manager QA/QC at Gujarat Fluorochemicals Ltd</i>
16:30-17:30	TechnoBiz Rubber Clinic Brainstorming Session

TechnoBiz Rubber Clinic: This program is aimed to discuss about issues and problems experienced in Rubber Processing. All conference participants can submit their questions / discussion points in advance by sending an email to peram.technobiz@gmail.com with subject line "Discussion Point for TechnoBiz Rubber Clinic". All participants (both speakers and delegates) will be engaged to share their experience with respect to discussion points.

Registration & Sponsorship

Delegate Registration Fee

In-Person Participation (per person)

- Single Registration: 20,000 Rs (Indian) | 400 US\$ (Foreigner)
- Group Registration (minimum 3 pax) : 18,000 Rs (Indian) | 350 US\$ (Foreigner)

Online Participation (per person)

- Single Registration : 25,000 Rs (Indian) | 600 US\$ (Foreigner)
- Group Registration (minimum 3 pax): 20,000 Rs (Indian) | 550 US\$ (Foreigner)

Remarks: GST 18% applies on the Registration Fee. Fee includes lunch and refreshments for in-Person Registrants.

The organizer reserves the right to adjust registration fees as appropriate. Onsite registration is not available. All participants are required to register 3-days before conference dates.

Sponsorship Package

Corporate Sponsor: 100,000 Rs / 1500 US\$

- 3 Delegate Registrations
- Table-Top Booth
- Logo Insertion in all Publicity Materials
- Display of Company Brochure on Display Table
- Digital Marketing Package
- 25% OFF on Additional Delegates Registration Fee

Supporter : 50,000 Rs / 1000 US\$

- 2 Delegate Registrations
- Display of Company Brochure on Display Table
- Logo Insertion in all Publicity Materials
- 10% OFF on Additional Delegates

Remarks: GST 18% applies on the above fees.
