4 FEBRUARY 2026 BENGALURU, INDIA RG ROYAL HOTEL I HYBRID EVENT

A TechnoBiz Conference on Rubber - New Product Development and Project Management

Rubber NPD 2026 is a specialized TechnoBiz conference dedicated to advancing New Product Development (NPD) and Project Management in the rubber industry. Scheduled for 4 February 2026 at RG Royal Hotel, Bengaluru, India (Hybrid Event), this event will bring together experts, innovators, and industry leaders to explore efficient development strategies, cutting-edge materials, advanced design tools, quality and reliability practices, and sustainability approaches. With a strong focus on process, materials, technology, and quality, the conference will also feature practical case studies and lessons learned, making it an essential platform for professionals aiming to accelerate innovation and achieve successful commercialization in rubber products.

Conference Focus

- Efficient Approaches to New Product Development
- Process, Materials, Technology & Quality
- Advanced Materials Selection & Innovation
- Product Design, Simulation & Digital Prototyping
- Rubber Product Failure Analysis & Reliability
- Project & Portfolio Management for Rubber NPD
- Sustainability & Circular Economy in NPD
- NPD Case Studies and Lessons Learned

Call for Speakers

TechnoBiz invites industry professionals, researchers, and thought leaders to contribute as guest speakers at the Rubber NPD 2026 Conference. This is a unique opportunity to share expertise, showcase success stories, and inspire innovation across the rubber industry. Interested experts are invited to submit presentation proposals—including the presentation title, a short summary (100–150 words), and a brief biography with portrait picture to *peram.technobiz@gmail.com*.

Conference Schedule: 9am -6pm

Conference Language: ENGLISH
