# VISITOR REGISTRATION

TechnoBiz and China United Rubber Corporation are jointly organizing the 6th edition of GRTE 2025 - Global Rubber, Latex & Tyre Expo from 12-14 March 2025 in Bangkok, Thailand at Bangkok International Trade & Exhibition Center (BITEC). This event is recognized as the Gateway to Global Markets & Knowledge-Hub for Rubber, Latex & Tyre Industries.

## Expo Highlights

- Trade Exhibition on Technologies and Products
- Rubber Exports Trade Fair
- Specialized Conference Programs
- Rubber Research Fair
- Publications & Digital Library
- Expert Clinic

**200+ Exhibitors**  
**5000+ Participants**  
**40+ Countries**

## Exhibitor Profile

*Global Manufacturers & Suppliers of*

- Natural & Synthetic Rubber
- Rubber Chemicals & Additives
- Rubber Processing Machinery
- Rubber Testing Equipment
- Latex Chemicals & Technology
- Compounds & Custom Mixing
- Dipped Latex Products Technology
- Latex Chemicals & Machinery
- Tyre Manufacturing Technology
- Tyre Testing Instruments
- Rubber & Latex Products
- Tyres & Tubes
- Rubber Reclaim & Recycling
- Rubber Industry Associations
- Research Institutes & Universities
- Testing Laboratory
- Rubber Trading
- Consultants

***All about  
Technologies,  
Products &  
Innovations  
related to  
Rubber, Latex &  
Tyre Industries***

### **Exhibition Opening Hours**

12-13 March 2025 | 10am to 6pm

14 March 2025 | 10am to 5pm

### **Exhibition Venue**

Hall 100, Bangkok International Trade & Exhibition Center (BITEC), Bangkok

## Booth Tariffs

### Standard Shell Scheme

- 9 SQM Booth (Inline)
- 9 SQM Booth (Corner)
- 18 SQM Booth (Inline)
- 18 SQM Booth (2 Sides Open)
- 18 SQM Booth (3 Sides Open)

### Booth Tariff

4,300 US\$  
4,600 US\$  
7,500 US\$  
7,900 US\$  
8,300 US\$

### Raw Space

- 36 SQM (6mx6m) Space
- 54 SQM (6mx9m) Space
- 72 SQM (6mx12m) Space

15,500 US\$  
20,900 US\$  
25,900 US\$

### Premium Shell Scheme

- 9 SQM Booth (Corner)
- 18 SQM Booth (Corner)

6,900 US\$  
9,500 US\$

### Booth Registration

Remarks : VAT 7% applies to the above tariffs

*Shell Scheme Booth*

### Exhibiting Guidelines

- 9 SQM Shell Scheme Booth includes One Information Counter, One Round Table, 3 Chairs, White Wall Panels with Fascia Board, 5amp Power Supply Socket, Two Fluorescent Lights, Carpet Furnished.
- Exhibitors who wish to build custom design booth are required to use "approved contractors" to build booths. TechnoBiz provides an approved contractors list to exhibitors to contact for further discussion.

### Booth Setup :

- Shell Scheme Booth : 11 March 2025 | 1pm to 6pm
- Custom Booth | 10 March 2025 : 1pm to 8pm | 11 March 2025: 10am to 6pm

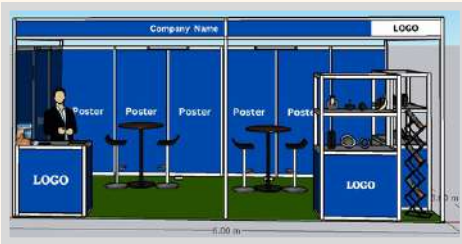

### Booth Dismantling

14 March 2025 | 5pm to 11pm

# Booth Decoration Options

# INDIA RUBBER EXPORTS TRADE FAIR

## India Rubber Exports Trade Fair

“India Rubber Exports Trade Fair” is a special trade zone at GRTE 2025 for Indian Companies who are exporters. Indian companies can showcase their products and technologies to explore business opportunities and partnerships with GRTE 2025 visitors.

### Who can participate?

Exporters and Manufacturers of all types of rubber products, tyres and tubes from India. Technology suppliers such as Raw Materials, Chemicals and Machinery and Instrumentation can join this fair too.

### Participation Cost

- Single Showcase : 700 US\$
- Double Showcase : 1250 US\$

### Remarks

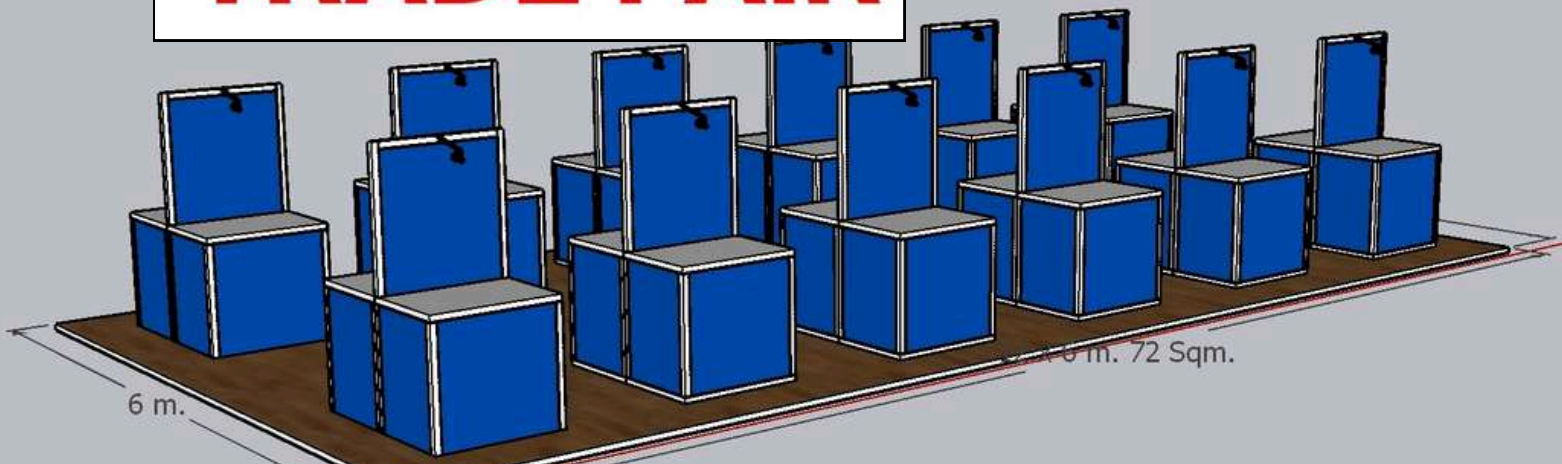

- VAT 7% applies on the above fees
- The showcase will be furnished with a display counter, a poster panel, a spotlight and a chair.
- TechnoBiz allocates the location of the showcase 30 days before the schedule.

*Connecting  
Exporters from  
India*

**Registration Form  
(India)**

# ASEAN RUBBER EXPORTS TRADE FAIR

## ASEAN Rubber Exports Trade Fair

“ASEAN Rubber Exports Trade Fair” is a special trade zone at GRTE 2025 for Export Companies from ASEAN (South East Asian) Region such as Thailand, Malaysia, Indonesia, Vietnam, Singapore, Myanmar, Laos, Cambodia, Philippines, and Brunei. Companies from these countries can showcase their products and technologies in this zone to explore business opportunities and partnerships with GRTE 2025 visitors.

### Who can participate?

Exporters and Manufacturers of all types of rubber products, tyres and tubes from India. Technology suppliers such as Raw Materials, Chemicals and Machinery and Instrumentation can join this fair too.

### Participation Cost

- Single Showcase : 700 US\$ | 30,000 Baht
- Double Showcase : 1250 US\$ | 45,000 Baht

### Remarks

- VAT 7% applies on the above fees
- The showcase will be furnished with a display counter, a poster panel, a spotlight and a chair.
- TechnoBiz allocates the location of the showcase 30 days before the schedule.

*Connecting  
Exporters from  
South East Asia*

**Registration Form  
(ASEAN)**

# NATURAL RUBBER

## TRADE FAIR

NATURAL RUBBER  
Sourcing Exhibition

**12-14 MARCH 2025**  
BITEC, Bangkok, Thailand

“Natural Rubber Trade Fair” is an important component of GRTE 2025 - Global Rubber, Latex & Tyre Expo. This fair is a sourcing platform for natural rubber directly from the natural rubber manufacturers and exporters.

### Who can exhibit?

*Manufacturers and Exporters of*

- Ribbed Smoked Sheet (RSS 1, 2, 3, 4, 5)
- Block Rubber (STR 5, 10, 20, CV50, CV60, etc.)
- Skim Rubber Block
- Crepe Rubber
- Concentrate Latex (HA, LA 60% DRC)
- Pre-Vulcanized Latex
- Epoxidised Natural Rubber (ENR)
- Modified Natural Rubber
- FSC Natural Rubber

**Available Booths : 40**

**Booth Size & Type:** 4 SQM Shell Scheme

**Participation Cost**

- Inline Booth: 1700 US\$ | 50,000 Baht
- Corner Booth: 2000 US\$ | 60,000 Baht

Remarks

- VAT7% applies on above fees
- 4 SQM Shell Scheme booth includes One Information Counter, Two Chairs, Two Flat Shelves, White Wall Panels with Fascia Board, Carpet Furnished, One Fluroscnt light, 5amp Power Supply Socket.

# TYRE MANUFACTURING CONFERENCE

Executive Conference  
on Tyre Design & Manufacturing

**12-13 MARCH 2025**  
BITEC, Bangkok, Thailand

A 2-day conference “**Tyre Manufacturing 2025**” is scheduled as part of GRTE 2025. This conference focuses on the latest developments in tyre design and manufacturing. This conference is aimed at everyone involved with tyre manufacturing such as engineers, scientists, technical managers, researchers, and designers. This is a Hybrid Event.

## Conference Focus

- Tyre Raw Materials & Compounds
- Carbon Black & Silica Reinforcement
- Tyre Manufacturing Machinery
- EV Tyres Design & Development
- Tyre Performance & Testing
- Intelligent Tyre Technology
- Manufacturing Automation
- Sustainability & Circular Economy
- Bicycle & Motor Cycle Tyres Development
- Tyre Health Monitoring
- Tyre Tread Design & Manufacturing
- Tyre Moulds & Design
- Regulations & Standards
- Tyre Modelling & Simulation

## Call for Abstracts / Papers

Interested technologists, researchers, and specialists involved with tyre manufacturing and technologies are invited to submit proposals to present a paper at this conference. Each confirmed speaker will be given a 20-minute presentation slot.

## Delegate Registration Fee

- Thailand Delegates: 12,000 Baht/Person
- Overseas Delegates: 500 US\$/Person

Remarks: The registration fee includes lunch and refreshments. VAT 7% applies to registration fees.

# งานประชุม ยางไทย THAILAND RUBBER CONFERENCE

**National Conference  
for Thailand Rubber Industry**

**13-14 MARCH 2025**  
BITEC, Bangkok, Thailand

In partnership with leading universities in Thailand, GRTE 2025 team is organizing a 2-day conference “Thailand Rubber Conference 2025” as part of GRTE 2025 from 13-14 March 2025 in Bangkok, Thailand at BITEC. This is recognized as the National Conference for Thailand Rubber Industry by inviting Thailand Rubber Experts, Technologies, and Researchers to present papers on the latest technical and market developments in rubber technology and products.

This conference is for Thai companies and will be conducted in Thai language

## **Conference Chair Person**

Dr. Kannika Sahakaro, Associate Professor  
Prince of Songkla University, Thailand

## **Call for Abstracts / Papers**

Interested technologists, researchers, and specialists involved with tyre manufacturing and technologies are invited to submit proposals to present a paper at this conference. Each confirmed speaker will be given a 20-minute presentation slot.

Full papers submitted will be included in the “Thailand Rubber Handbook”.

## **Delegate Registration Fee : (Per person)**

- Single Registration: 7,800 Baht
- Group Registration (min 3 pax): 6,800 Baht

Remarks: The registration fee includes lunch and refreshments. VAT 7% applies to registration fees.

**Conference Language:** Thai

GRTE Exhibitor's Conference  
on Rubber & Tyre Technology

12-14 MARCH 2025  
BANGKOK, THAILAND

## FREE ENTRY .. INSIDE EXPO HALL

GRTE Conference is one of the popular components of GRTE 2025. This conference program will be held inside the exhibition hall in an open-theatre format. In this program, participating exhibitors will be allowed to present the latest developments and innovations from their company. The presentations should be related to materials, machines, processing, and regulations concerning the rubber, latex, and tyre industries. The presentation length of each topic is 15 minutes. Participating exhibitors are encouraged to submit their presentation proposals as early as possible.

Also, researchers from institutes and universities are welcome to present their research results and innovations at this conference.

All registered participants of GRTE 2025 can access this conference program for free. Free entry to all interested in this conference program.

# RUBBER RESEARCH FAIR

## Poster Fair on Rubber Research

**FREE ENTRY**

12-14 MARCH 2025, BITEC, BANGKOK

“Rubber Research Fair” is a unique feature of GRTE 2025, which showcases research developments, innovations, and patents in rubber processing from universities and research institutes from different parts of the world as posters. This fair is an important platform for researchers and industry professionals to exchange information on research and innovations and explore collaboration and partnerships between industry and research organizations.

Interested researchers are invited to submit their proposals with abstracts to [peram.technobiz@gmail.com](mailto:peram.technobiz@gmail.com) before 30 December 2024. Researchers can submit more than one topic. There is no registration fee for researchers. TechnoBiz offers a complimentary printing service and handling of posters to place at the fair.

This fair is located inside the exhibition hall. All participants of GRTE 2025 have access to this fair from 12-14 March 2025. A great learning opportunity for all GRTE 2025 participants.

Universities and Rubber Research Institutes can partner with GRTE 2025 to promote their research developments and innovations.

For more information and assistance, please contact Peram Prasada Rao, Project Director, GRTE 2025 (Email: [peram.technobiz@gmail.com](mailto:peram.technobiz@gmail.com)).

# FREE Reference Handbook for GRTE 2025 Participants

TechnoBiz is publishing “Rubber Handbook” on the occasion of GRTE 2025. In this handbook, technical and research articles related to rubber technology will be included in this handbook. GRTE 2025 exhibitors can also publish white papers or technology fact sheet in this handbook.

Pre-Registered visitors of GRTE 2025 can collect a free copy of this handbook at the expo during 12-14 March 2025.

**Advert Booking**

Advertising Opportunities are available for the interested companies who wish to insert company advertisement in this handbook. Deadline to book advertisement is 20 Dec 2024.

**Advertisement Rates**

- GRTE Exhibitors : 500 US\$
- Non-Exhibitors: 1000 US\$

Digital Marketing for Rubber Industry

## 365 Days Digital Marketing for Rubber Industries & Technologies

**35% OFF on Membership Fees  
for GRTE 2025 Exhibitors**

TechnoBiz offers Digital Marketing Program “R-365” for rubber & tyre technologies suppliers. R-365 is a 365-day digital marketing program offered through the “Rubber Industry Network” social media platform. TechnoBiz offers annual memberships with different options (Gold Member, Silver Member, and Bronze Member). This is a unique and effective program aimed at promoting member’s technologies, products, and services GRTE 2025 exhibitors will receive 35% OFF on membership fees.
