

ROTO MOULDING CONNECT

Digital Marketing Solutions for Rotational Moulding Businesses

TechnoBiz

TechnoBiz offers digital marketing solutions for rotational moulding companies through "**RotoMoulding Connect**" program. This program is aimed for the companies who wish to promote technologies, products, and brand the company among the global rotational moulding community. Currently, TechnoBiz's "RotoMoulding Network" is connected with 4,000+ rotational moulding professionals across the world via various social media platforms and events hosted by TechnoBiz.

TechnoBiz offers **Annual Corporate Membership** with a fee of 1500 US\$ for the interested companies to participate in the "RotoMoulding Connect" Program. The membership package includes:
